Statement on Handicap Accessibility

It is the goal that any person wishing to be a member of this tour be able to participate fully. Our travel company, Charter Travel Ltd., is bound by the rules and regulations for handicap accessibility in the United Kingdom. As such, The Cathedral Church of St. Michael and All Angels (Kelowna, BC, Canada) and The St. Cecilia Guild cannot guarantee accessibility for members with disabilities. While every effort will be made to have the tour accessible, due to the historic nature of many places on our tour, some members will be unable to gain access to sites. The tour organizers strongly suggest that members with disabilities bring someone to assist them on the tour since the tour organizers, Charter Travel Ltd., and other tour members are unable to be responsible for the care of those with disabilities.

If you wish to contact Charter Travel Ltd. regarding accessibility, please email stceciliakelowna@gmail.com for contact information.
